

**Pierre Patry**  
Treasurer of the CSN

**Candidate for the position of treasurer of the CSN**

Treasurer of the CSN since March 2004, I am announcing that at the 65<sup>th</sup> Convention of our organization I will solicit another term of office in this position. For the past 13 years, I have had the great privilege of representing the members of CSN unions. In doing so, I have had political responsibility for the following areas of work : public finances; environment and sustainable development; responsible consumption and fair trade; social and solidarity-based economy; corporate social responsibility; socially responsible finance; co-ordination of work with the institutions for economic intervention set up by the CSN; and, of course, management of the CSN's finances.

At the 65<sup>th</sup> Convention, it is your responsibility as union delegates to set policy directions for the CSN for the next three years. It would be an honour for me to be able to contribute again to improving working and living conditions for members of CSN unions.

This is why I am asking you to renew your confidence in me. I hope to see many of you at the next convention.

Yours in solidarity,

*Pierre Patry*
